TODAY IS AN OFFERING DAY FOR THE
SUPPORT OF THE PARISH CLERGY

Cathedral's Anniversary

The Anniversary of the Opening of the Cathedral is on Tuesday next, September 3rd. Next Year will be a special year for us in the parish as it is the 75th anniversary of our Cathedral. If you have any ideas about how we might mark the occasion this time next year you might put them in writing to us at the parish office or drop us an email.

School Doors Open Again

Best wishes to the teachers and children as they head back to primary school after a most memorable summer. A little bit of history is being made this week in two of our parish schools. Presentation Senior School and St Mary's are now co-ed. We hope that the transition to girls and boys will go well and benefit parents and children wishing to attend schools in the town with a Catholic ethos.

Thanks are expressed to all those who are helping this to happen.

First Friday

Friday next is a the First Friday of the Month. Just a reminder that priests and Eucharistic Ministers reach out to the sick and housebound each month by bringing them Holy Communion at home. If you know someone who would like to receive the Sacrament please let us know in the parish Office.

Parish Catechetical Program: Children who attend non-catholic schools and who wish to receive the Sacraments of First Penance, Holy Communion and Confirmation are welcome to our religious education and preparation programme. The course starts the first Monday in October and takes place every Monday evening during the school term. Information and Application through the Parish Office. Closing date for applications is Friday 20th September. A charge of €2.50 will be taken per class (€50 a year) to defray the costs involved in the parish organising these classes outside of regular school hours.

Retired Teachers: The parish is grateful for the number of teachers that help with catechesis in the parish. If you are a retired teacher and would like to help with adult instruction for the sacraments you might get in touch with us.
