8 days until the young people of our parish depart for World Youth Day Krakow...

Young men and women from Mullingar are making their final preparations to travel over land and sea to join Pope Francis and two million other young people in Krakow. The World Youth Day brings together every tribe and nation from the four corners of the earth and is truly Catholic in every sense. This year the theme, *Blessed are the merciful*, will guide the speakers, the music and Pope Francis' messages. In a message preparing for the trip to Krakow, Francis spoke of his life changing experience at the age of 17 in the confessional and concluded that, 'when we open our hearts with humility and transparency, we can contemplate God's mercy in a very concrete way.'
