From the Homily of the Papal Legate in Croke Park

After this week of Eucharistic reflection, celebration and adoration, we are certainly more aware of God's call to communion with Him and with one another. Let us bear witness to this grace by calling others to faith in this communion. The Irish bell, which resounds from Lough Derg, from Knock and Dublin, must resound in the whole world. Let's ring the bell further through our personal testimony of renewed faith in the Holy Eucharist.

Faith is the most precious gift we have received with Baptism. Let's not keep it private and fearful! Let it grow as a splendid tree through sharing everywhere!
