## Building the Kingdom of God

*Prayer of St Oscar Romero*

It helps, now and then, to step back and take a long view.

We accomplish in our lifetime only a tiny fraction of the magnificent enterprise that is God's work.

We plant the seeds that one day will grow knowing that they hold future promise.

We cannot do everything, and there is a liberation in realizing that.

This enables us to do something and to do it very well.

It may be incomplete, but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest.

We may never see the end results, but that is the difference between the master builder and the worker.

We are workers, not master builders; ministers, not messiahs.

We are prophets of a future not our own.

## Evening Prayer and Benediction

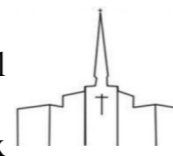

will be celebrated at the Cathedral today at 5pm.

Bishop Deenihan has invited all priests from the Diocese of Meath to the ceremony and asked them to extend the invitation to their parishioners. The music will be provided by the Cathedral Choir, directed by Will Woods.
